Sir:

Applicant hereby submits this Petition to Withdraw Notice of Abandonment for the above-captioned patent application due to Applicant's purported "failure to timely or properly

A34811 070793.0140
PATENT

reply" to a Notice to File Missing Parts mailed on December 18, 2001. Applicant avers that the failure to respond was **unintentional** in that Applicant, in fact, filed a proper and timely response that was received and acknowledged by the Patent Office, but was apparently later misplaced through an error committed within that Office. The facts and circumstances resulting in this Petition, the reasons that support withdrawal of the Notice Of Abandonment and refund of the fee for the present Petition, are listed below.

A Notice to File Missing Parts in the above-captioned application was mailed on December 18, 2001, requesting Applicant to file, within a two month period, an oath or declaration and a late filing fee in the amount of \$130.00. Applicant's response, which included a Combined Declaration and Power of Attorney and the required fee, was timely filed on February 4, 2002. Copies of the Declaration and Fee Transmittal are enclosed.

On February 28, 2002, Applicant received a postcard from the Patent Office confirming the timely filing of Applicant's response to the Notice To File Missing Parts. A copy of this postcard, date-stamped February 19, 2002, is enclosed.

However, on November 19, 2003, a Notice Of Abandonment was mailed by the Patent Office asserting that Applicant had failed to "timely or properly reply" to the December 18, 2001, Notice to File Missing Parts. A copy of the Notice is enclosed.

On December 1, 2003, Applicant contacted the Initial Examination Division telephonically through counsel, and was advised to file this Petition to Withdraw Notice of Abandonment under 37 C.F.R. § 1.137(b) together with the fee required under § 1.17(m), in the amount of \$1330.00. Applicant was further advised that the fee for this Petition would be

A34811 070793.0140
PATENT

refunded upon a finding that the Notice of Abandonment had been mailed as a result of an apparent error committed within the Patent Office.

Accordingly, Applicant respectfully contends that the Notice Of Abandonment should not have been issued in view of Applicant's timely filing of a Combined Declaration and Power of Attorney, and the required \$130.00 late fee, on February 4, 2002, as confirmed by Applicant's receipt of a date-stamped postcard from the Patent Office on February 19, 2002. Applicant further submits, in the event that the Commissioner determines that Applicant's papers were, in fact, properly filed and apparently misrouted or lost within the Patent Office, that the fee for filing the present Petition, in the amount of \$1,330.00, should be refunded in accordance with the assurances given by the Initial Examination Division and in conformance with the rule governing petitions for withdrawal of an Examiner's holding of abandonment.¹

The Commissioner for Patents is hereby authorized to charge and/or refund payment of the following fees to Deposit Account No. 02-4377: (1) the fee for this Petition, in the amount of \$1330.00, as required under 37 C.F.R. § 1.17(m); (2) if necessary, the \$130.00 late fee originally filed with Applicant's February 2002 response to the December 2001 Notice to File Missing Parts; and, (3) any other fees associated with this communication.

Based on the foregoing, Applicant hereby formally petitions and requests that the Commissioner reinstate the above-captioned application and withdraw the Notice Of Abandonment, on the ground that the Applicant filed a timely response to the Notice to File

¹ Applicant notes that, had the Notice of Abandonment been issued by an Examiner, a petition filed under 37 C.F.R. § 1.181(a), requesting withdrawal of an Examiner's holding of abandonment, would not require a fee. See MPEP § 711.03(c).I.

Missing Parts mailed by the Patent Office on December 18, 2001. Applicant further requests and petitions that the Commissioner refund the \$1330.00 fee associated with the present Petition, on the ground that the Notice of Abandonment was mailed as the result of a routing or other error committed within the Patent Office.
